SKY CONVERTIBLE TOP FOR FRONT ROW (SBD) AVAILABLE LATE 2021

Protect yourself from the sun or quickly access the open air with the Sky Convertible Top. Designed to provide a convenient way to feel the elements, this manually operated convertible top replacement integrates with your vehicle's structure and functions in place of the two front Sky Panels and I-Bar. Integrated side struts help to make folding easy. This top can be left on all year — it has been tested in extreme weather conditions and temperatures to handle snow and provides UV protection for front occupants. The Sky Convertible Top has also been designed to offer a seamless exterior appearance when installed. Initial installation and walk-through by an authorized GMC Dealer is recommended.

SKY PANEL STORAGE SET (SC8)

Easily stack and store your four Modular Sky Panels in your eTrunk™ with this Sky Panel Storage Set. Each tray is designed and engineered specifically to protect the panels from damage when removed for open-air experiences. The trays are constructed of lightweight material that provides a precise and secure fit for added protection during dynamic events. These durable containers are also numbered to provide ease of stacking inside your eTrunk™

FRONT OFF-ROAD AUXILIARY LIGHTS (RZU)

Help light the way with these Front Off-Road Auxiliary Lights. They enhance the rugged off-road appearance of the GMC HUMMER EV Pickup and provide further illumination. The lights mount in front of the windshield and manually adjust four ways. Kit includes two lights, brackets, harnesses and protective covers with HUMMER EV logo. Requires Accessory Touch-Screen Control Switches (VBP).

ACCESSORY TOUCH-SCREEN CONTROL SWITCHES (VBP)

Put the power at your fingertips and conveniently control up to six external accessories through the Off-Road app found on your vehicle's touch-screen. This add-on module mounts under the hood and lets you control accessories like off-road lighting, a light bar or air compressor. Once installed, the system also allows you to assign a name and choose from a collection of 24 display images in your vehicle infotainment system. Installation by an authorized GMC Dealer is recommended.

ROCKER PROTECTORS WITH ASSIST STEPS (S6L)

Add capability and convenience with these distinctive and highly durable Rocker Protectors with Assist Steps. Designed for the off-roader, they run alongside the front and rear doors on both sides of the GMC HUMMER EV Pickup. Each is a one-piece, stainless-steel welded structure engineered to withstand rock-sliding forces off-road and also function as an assist step. These rock sliders are able to vertically support 50% of the vehicle weight and 20% during a lateral crawl. They are fully powder-coated and include a rugged texture with durable step pads and tread pattern (each holds up to 300 lbs.). Standard content for Edition 1.

These materials may not be reproduced, distributed or modified without the express written permission of GM. The marks appearing in this Playbook including, but not limited to: (i) GM and the GM logo, (ii) GMC, HUMMER and their respective logos, emblems, vehicle and part names and vehicle and part designs, and (iii) other marks of third-party suppliers are trademarks and/or servicemarks of GM, its subsidiaries, affiliates, or third-party supplier licensors.

Most GMC Parts and Accessories sold and installed on a GMC vehicle by a GMC Dealer or a GMC-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If GMC Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. GMC Parts sold over the counter, or those not requiring installation, will continue to receive the standard GMC Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. GMC warranties do not apply to Associated Accessories. See your dealer for details. This GMC Playbook features accessories that are designed, engineered, tested and backed by GMC. An additional offering of Associated Accessories is also available, which are engineered, tested and backed by third-party manufacturers. The Associated Accessories symbol denotes that the accessory is engineered and sourced by third-party companies, each with its own individual warranty coverage.
